1. Who is eligible for free meals regardless of income?
 - All children in households receiving benefits from SNAP, the Food Distribution Program on Indian Reservations, TANF or Medicaid are eligible for free meals.
 - Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals.

2. How do I know if my children qualify as homeless, migrant or runaway?
 - Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and haven’t been told your children will get free meals, please contact your School’s Meal Program Director.

6. Do I need to fill out an application for each child?
- No. Use one Free and Reduced-Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. We recommend completing the online application. If you are unable to do so, submit applications completed manually to your School Meals Program Director. Either way, you will be notified of your children’s eligibility within 10 business days.
7. Should I fill out an application if I received a letter this school year saying my children are approved for free meals?
- No, but please read the letter you received carefully and follow the instructions. If any children in your household were missing from your eligibility notification, contact your School Meals Program Director immediately.

8. Can I apply online?
 - Yes! You are encouraged to complete an online application instead of a paper application if you are able. The online application has the same requirements and will ask you for the same information as the paper application. Most families submit application to family.titank12.com to begin or to learn more about the online application process. Contact your School Meals Program Director if you have any questions about the online application.
 - Students attending schools at Quantico, West Point and Puerto Rico submit their application at: www.lunchapplication.com.
9. Can I submit a paper application?
 - Yes, you may pick up and return a paper application from your school administration office or the school cafeteria. Other than English language applications are available upon request.
10. My child's application was approved last year. Do I need to fill out a new one?
 - Yes. Your child's application is only good for that school year. You must send in a new application. If you do not send in a new application that is approved by your school, your child will be charged the full price for meals.
11. I get WIC. Can my children get free meals?
 - Children in households participating in WIC do not automatically qualify for free or reduced-price meals; however, you may be eligible for free or reduced-price meals based upon the income eligibility guidelines. Please send in an application.
12. Will the information provided be checked?
 - Yes. We may also ask you to send written proof of the household income you report.
13. If I don't qualify now, may I apply later?
 - Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced-price meals if the household income drops below the income limit.
14. What if I disagree with the school's decision about my application?
 - You should talk to School Meals Program Director. You also may ask for a hearing by calling: America's Chief of Logistics, (678) 907-5792.
15. May I apply if someone in my household is not a U.S. citizen?
 - Yes. You, your children or other household members do not have to be U.S. citizens to apply for free or reduced-price meals.
16. What if my income is not always the same?
 - List the amount that you normally receive. For example, if you normally make \$1,000 each month, but you missed some work last month and only made \$900, put down that you made \$1,000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
17. What if some household members have no income to report?
 - Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.
18. Do I have to provide my social security number?
 - Only the last 4 digits of the social security number of the household's primary wage earner or another adult household member (or an indication of "none") is required.
19. We are in the military. Do we report our income differently?
 - Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food or clothing, it must also be included as income. However, if your housing

is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment also is excluded from income.

20. What if there isn't enough space on the application for my family?

- List any additional household members on a separate piece of paper and attach it to your application.

21. My family needs more help. Are there other programs we might apply for?

- To find out how to apply for the Supplemental Nutrition Assistance Program (SNAP) or other assistance benefits, contact your local SNAP office.
